1B Class Reader

2A Poetry

2B Class Reader

3A Shakespeare

3B Persuasive Text

In Yr7 our students build on their skills in language text writing started at Primary with particular focus on persuasive writing. Putting their hand to a bit more creative learning students persuade us to **SAVE THE ANIMALS!** In class they gather information about their chosen animals using textbooks, internet, newspaper and various other resources. Summarising and paraphrasing this information they then create persuasive leaflets to encourage your support to protect endangered animals!

Embedding and building on persuasive writing skills learnt in Primary, students use:

Repetition, statistics, emotive language, hyperbole, rhetorical questions, and more

It's our World in your hands... please handle with care!
